September 2020

Dear Families,

This letter is to inform you that Greenwood Elementary School currently offers a Schoolwide Title I Program. Title I is a federal program based upon income levels of families whose children attend this school. The program ensures that students are equipped to meet high standards of academic performance. Schoolwide Title I programs use funds to provide interventions, additional instructional time, and enrichment opportunities during the school day, summer intervention programs, and increased professional development for staff members. After reviewing the beginning-of-year student assessment data, we will determine the children who could benefit from extra support or enrichment in reading skills and strategies. If your child will receive reading services, you will be notified.

Greenwood will be holding its annual **Family Reading Night** sponsored by Title I on Thursday, October 15th. Look for upcoming notices with further information about this virtual event. We also encourage you to stay involved by attending our virtual Back to School Night in September and Parent-Teacher Conferences on Jump Start Mondays.

You are always welcome to communicate with your child's teacher and other school staff regarding any questions or concerns that you may have. The Title I webpage for parents includes information and resources can be accessed on KCS D's website at <https://www.kcsd.org/services/title-i/>.

If you would like more information, please contact me or Mrs. Dianne Horowitz, our Title I Reading Specialist. Together we will make this year an exceptionally rewarding and successful year for your child!

Sincerely,

Dr. Tracey Marino, Principal

Learn. Apply. Achieve.
